

**We have the message of the prophets,  
a promise that is completely reliable!**

**Pay attention to it, like you would pay attention  
to a light shining in a dark place,**

**until the day dawns  
and the morning star rises in your hearts.**

*2 Peter 1*

*Morning Star people are on the leading edge  
of the New Day.*

*Wherever they go, the Dawn follows  
and the darkness recedes.*

***Our God and Saviour Jesus Christ*** makes things right!  
His “***righteousness***” gives us this precious faith!

His divine power has given us everything we need  
for ***a life that becomes like His*** in character.

Through His own glorious goodness He has given us  
His very great and precious promises,  
so that ***we can brighten*** into His divine nature”  
and “escape the corruption ***darkening this world.***”

*2 Peter 1.1-4*

*Morning Star people are “being brightened”*

*by God’s promises for the future*

*instead of “being darkened”*

*by the world’s corruption, the demands of “now”*

For this very reason, make every effort to ***add to your faith***  
goodness ... knowledge ... self-control ... perseverance ...  
godliness ... mutual affection ... love.

For if these things are ***growing*** in you,  
they will keep you from being ineffective and unproductive

*2 Peter 1.5-8*

***Grow*** in the grace and knowledge of our Lord ...

*2 Peter 3.18*

*Morning Star people won't stay the same:*

*As the darkness recedes and the sky grows brighter,*

*Morning Star people grow bright with it.*

But there were also false prophets among the people, just as there will be false teachers among you. They will secretly introduce destructive heresies, even ***disowning the sovereign Lord who bought them***—bringing swift destruction on themselves. Many will follow their depraved conduct and will bring the way of truth into disrepute.

In their greed these teachers will ***exploit you*** with stories they themselves have made up. Their condemnation has long been hanging over them, and their destruction has not been sleeping.

**Disowning the authority of the real “Lord”**

**Instead of real Good News, “stories they made up”**

**Becoming their own “lord” – “arrogant, despise authority”**

**Promising freedom, but giving slavery**

Dear friends, this is now my second letter to you. I have written both of them as reminders to stimulate you to wholesome thinking.

I want you to recall the words spoken in the past by the holy prophets and the command given by our Lord and Savior through your apostles.
